S|A|C
St. Andrew's College

Completion: 2015

Location: Aurora, ON

Builder: Bolt Developments

Mechanical Design-Build Including:

- **Mechanical Engineering Design of Hybrid Gas-Geothermal System, including Ice Plant Heat Recovery.**
- **Permit Package**
- **HVAC Installation Ultra Energy Efficient Ice plant heat recovery system, Zamboni Snow Melting System, Forced Air Systems, In-floor Heating, Duct Work & Ventilation Systems, Controls, etc.**
