

WHAT IS RETROFIT WR?

RetrofitWR makes home energy upgrades simple and affordable for eligible Waterloo Region homeowners through low-interest loans and energy coach services.

PROGRAM DETAILS

- ✓ Loans from \$10,000 up to \$40,000 for energy saving home upgrades, for eligible GrandBridge Energy electricity customers in Cambridge and North Dumfries.
- ✓ Low interest, on-bill financing at 2.5% interest is provided by the Region and repaid through GrandBridge Energy bills.
- ✓ Available loan terms for 10 or 15 years.
- ✓ Work with an experienced, unbiased third-party Energy Coach to help plan home energy upgrades and identify incentives, available to all eligible Waterloo Region homeowners.
- ✓ Minimum project value of \$10,000 and achievement of a minimum 25% energy reduction.
- ✓ Loan eligibility requires homes to be low-rise (single-detached or row housing up to three storeys), have a space heating system, and be ready for an energy assessment.
- ✓ Up to \$2,500 incentive on eligible heat pumps.
- ✓ Income-eligible support including zero administration fees and additional incentives from \$ 1,000 - \$3,000.

HOW IT WORKS

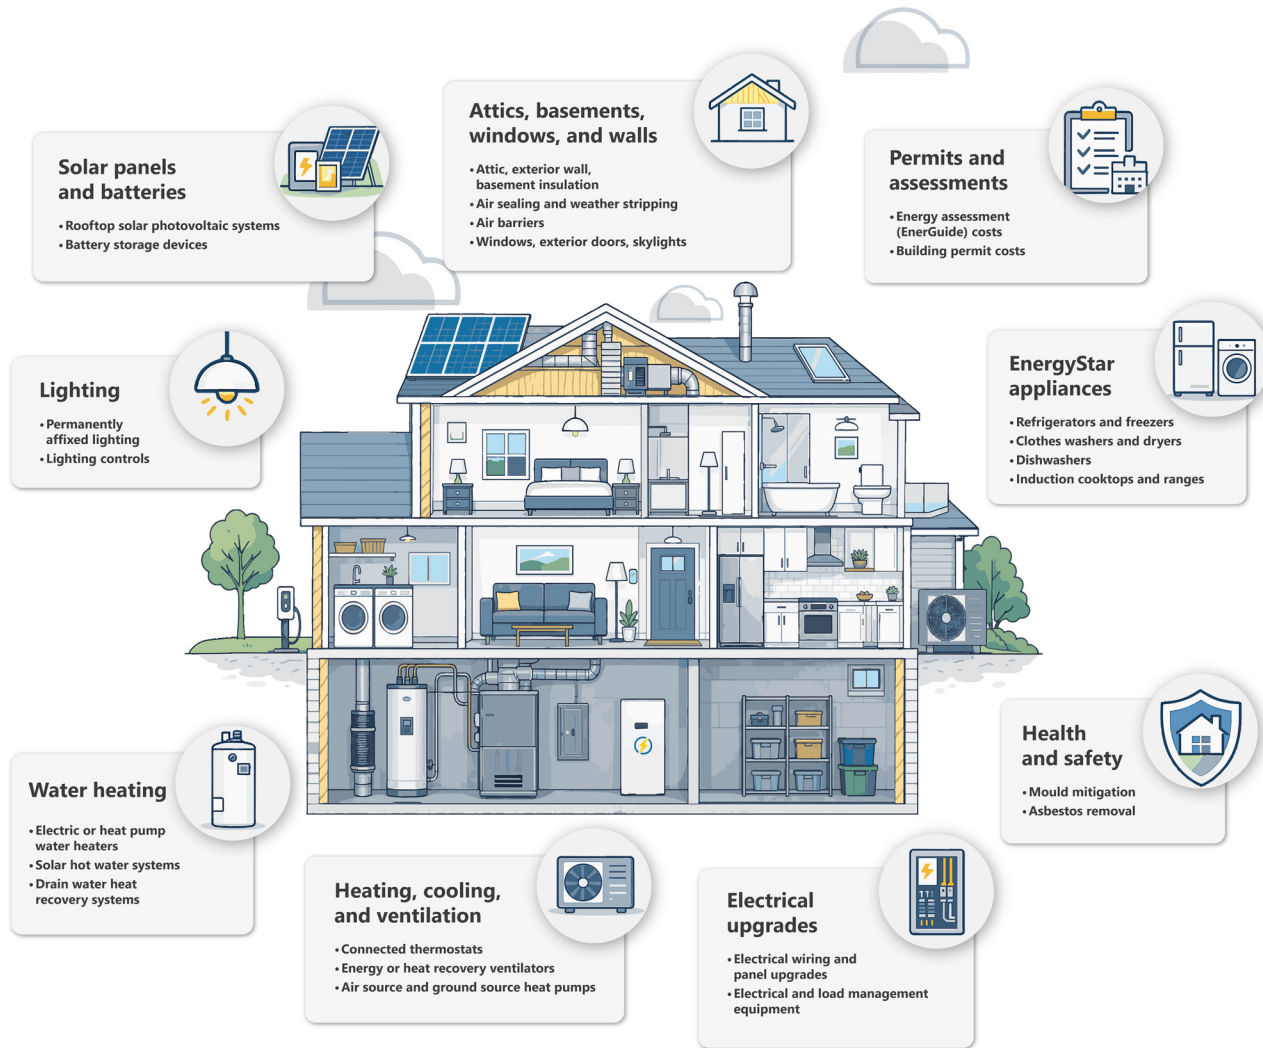

- 1 Contact the Energy Coach
- 2 Confirm eligibility
- 3 Complete a pre-retrofit home assessment
- 4 Sign the loan agreement & receive initial loan payment
- 5 Complete upgrades with qualified contractors
- 6 Finish the post-retrofit home assessment & receive final loan payment

The Energy Coach supports every step of the process. RetrofitWR is available from 2026-2030.
